AND AN APPROPRIATION ADJUSTMENT
(All SUPERVISORIAL DISTRICTS)
(4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Delegate authority to the Director of the Department of Public Health (DPH), or his designee, to accept and sign a forthcoming Fiscal Year (FY) 2007-08 Substance Abuse and Crime Prevention Act of 2000 (SACPA), Substance Abuse Offender Treatment Program (OTP) grant award for DPH Alcohol and Drug Program Administration (ADPA) for the period July 1, 2007 through June 30, 2008, in the amount of \$30,250,613, and a supplemental allocation in the amount of \$877,031 for a total award amount of \$31,127,644, subject to review and approval of County Counsel and notification of the Board offices.

2. Delegate authority to the Director of DPH, or his designee, to accept and sign any subsequent amendments/supplements to the FY 2007-08 SACPA and OTP grant, which do not exceed 25 percent of the total amount of the grant (\$31,127,644), subject to review and approval by County Counsel, and notification of Board offices.
3. Delegate authority to the Director of DPH, or his designee, to accept and sign future FY SACPA and OTP grant awards from the State Department of Alcohol and Drug Programs (SDADP) for FYs 2008-09 and FY 2009-10, which do not exceed 25 percent of the total grant amount of \$31,127,644, subject to review and approval by County Counsel, and notification of Board offices.
4. Delegate authority to the Director of DPH, or his designee, to accept and sign any subsequent amendments/supplements to the FY 2008-09 and 2009-10 SACPA and OTP grant awards, which do not exceed 25 percent of the total amount of the grant for the fiscal year, subject to review and approval by County Counsel, and notification of Board offices.
5. Delegate authority to the Director of DPH, or his designee to offer and sign amendments to 98 existing ADPA Proposition 36 agreements (Exhibit I) to increase each maximum obligation, not to exceed 25 percent of the annual allocation, thereby maximizing utilization of SACPA and OTP funds for FY 2007-08 through FY 2009-10.
6. Approve the attached Appropriation Adjustment (Attachment B) to ADPA's FY 2007-08 Final Budget, which includes a decrease of \$21,981,000 to OTP funding and an increase of \$9,945,000 to SACPA, for a overall net decrease of \$12,036,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Approval will delegate authority to DPH to accept SACPA and OTP funds from SDADP for FYs 2007-08, 2008-09, 2009-10 and amendments/supplements up to 25 percent of the annual award, delegate authority to increase existing Proposition 36 agreements up to 25 percent, based on the SACPA and OTP funds, and approve an Appropriation Adjustment for FY 2007-08. These actions will allow the County to continue its obligation to serve non-violent adult drug offenders under Proposition 36.

FISCAL IMPACT/FINANCING

SDADP has awarded Los Angeles County a total of \$31,127,644, consisting of \$25,258,323 for SACPA (Prop 36) services and \$5,869,321 (\$877,031 of which is FY 2006-07 OTP supplemental funds) for OTP services. The SDADP requires Los Angeles County to provide matching funds of \$652,147 as a condition of the OTP grant award. The County match shall be contributed in cash or as services of comparable value other than State Granted Funds and shall be at a rate of nine dollars (\$9) per every one dollar (\$1) of eligible County matching funds (100 percent offset by SACPA Client fees [\$465,000] and Statham funds [\$187,147]). A corresponding Appropriation Adjustment in the amount of \$21,981,000 for FY 2007-08 will be made to adjust ADPA's budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On November 7, 2000, California voters approved Proposition 36, the SACPA OF 2000, which amended existing drug sentencing laws to require that criminal defendants (i.e. first- and second-time non-violent adult drug offenders who use, possess, or transport illegal drugs for personal use) convicted of non-violent drug possession offenses, be placed in a licensed or certified community-based drug treatment program as a condition of probation instead of incarceration. This law became effective statewide on July 1, 2001.

On December 18, 2001, your Board approved: 1) a resolution complying with the regulatory requirements to receive SACPA grant funding, 2) acceptance of \$108,578,906 in SACPA grant award funds, for the period of July 1, 2001 through June 30, 2006, and 3) amendments to 108 existing alcohol and drug services agreements and 19 new agreements to provide Proposition 36 (SACPA) services, for the period of July 1, 2001 through June 30, 2006, at a total cost of \$108,578,906, 100 percent offset by grant award funding.

In 2006, California Assembly Bill 1808 (Budget Act) was passed. This bill established OTP by adding Health and Safety Code Section 11999.30 et.al. This legislation provides OTP supplemental funds for SACPA programs. According to SDADP, OTP funds must be used to serve offenders who qualify for services under SACPA (Proposition 36). The goal of OTP is to improve SACPA program outcomes and offender accountability.

The OTP Statute authorizes SDADP to distribute funds to counties that demonstrate a commitment to providing a 10 percent county match. Counties are required to use county general fund or funds from a source other than State funds. Counties are prohibited from using any funds distributed to the counties by SDADP, or any other funds received from the State. Under this action, SACPA Client fees and Statham funds will be used to offset the required 10 percent match.

Honorable Board of Supervisors
January 29, 2008
Page 4

In approving the State's 2007-08 Budget, the Legislature funded the initial SACPA allocation based on Health and Safety Code 11999.6., which requires the State Department of Alcohol and Drugs Programs (SDADP) to withhold and reallocate funds from counties' SACPA allocation. Seventy-five percent of the withheld funds are redistributed in the initial SACPA allocation. The remaining 25 percent of these funds are withheld from the initial SACPA allocation and will be redistributed through supplemental allocation. Under this funding allocation, the basic Proposition 36 program is at the level of \$120,000,000 Statewide, with an allocation of \$30,250,613 SACPA and OTP grant funding and a supplemental allocation of \$877,031, for a total of \$31,127,644 for Los Angeles County. Attached (Exhibit I) is a list of agencies currently contracted to provide Proposition 36 services.

On May 29, 2007, the Board approved renewal of 99 alcohol and drug services agreements for the provision of program services to Proposition 36 clients, effective July 1, 2007 through June 30, 2008. Ninety-eight treating agencies continue to provide services to Proposition 36 clients. Funding for these services is offset by Special Revenue funds made available through the SACPA of 2000.

On September 27, 2007, DPH-ADPA submitted an application for SACPA and OTP funds to the SDADP. At that time, SDADP allowed counties to submit the application with a draft of the Board of Supervisors action, if an approved action was not available. However, counties are required to provide the approved Board action before funds can be released.

Approval of the requested actions will satisfy SDADP's requirement for the release of SACPA and OTP funds.

Attachments A and B provide additional information.

CONTRACTING PROCESS

It is not appropriate to advertise receipt of grant award, authority for budget adjustment, and verification of County matching funds on the Los Angeles County Online Web Site.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of this action will allow the provision of alcohol and drug services for Proposition 36 clients to continue without interruption throughout Los Angeles County.
